Founded in 1997, Capozzi Adler, P.C. serves the legal needs of healthcare and senior living providers that participate in the Medicaid and Medicare programs. Capozzi Adler, P.C.'s services include: regulatory compliance & licensure, collections and Medicaid eligibility, CCRC licensure, admission agreements, guardianships, nursing facility sales & acquisitions, real estate & property law, employment law & labor law, civil & commercial litigation, and Medicaid/Medicare reimbursement appeals. Capozzi Adler also provides an array of legal services to non-healthcare providers in a number of states. With an already impressive track record of expansion and growth, we look forward to providing the same quality service to our clients as we have done for over two decades.

**ST. BARNABAS
 HEALTH SYSTEM**

The qualities and values that lead you to a career in the medical field - compassion, warmth, intuition, and determination set you apart from the ordinary. You make a difference in someone's life every day.

These same qualities and values form the foundation of the St. Barnabas Health System.

Since its founding in 1900, St. Barnabas has evolved from a small four-bedroom home for men to one of the largest and most respected senior living and health systems in Pennsylvania. Spread over three counties on five campuses, the system offers an extraordinary variety of services, activities and options, all of which are designed to improve the lives of seniors and enhance the quality of the communities.

We are proud of our award winning facilities and the staff who enrich the lives of our residents and patients every day.
