**FORT PITT®**  
CAPITAL GROUP

Fort Pitt Capital was formed over 20 years ago, when the financial services industry was fraught with conflicts of interest. Even today, many investment management firms push products and revenue rather than honoring their fiduciary responsibility. It was in this landscape that our founders established something different. Earning and keeping our clients' trust is central to everything we do at Fort Pitt Capital Group. We're committed to holding ourselves to extremely high ethical standards.

Investment management does not have to be complicated to achieve great results. Pie charts and spreadsheets are fine, but at Fort Pitt, investment management is much more personal. Our people understand that a solid financial plan is what brings your dreams to reality. So our first step is simply to listen. Whether it's about providing, protecting, educating, or simply enjoying your success, you need a team focused on what matters to you.

## Volunteers Make the Difference

**183 VOLUNTEERS. 2,777 HOURS.**

*Don and Peg Kopelic, residents of The Woodlands at St. Barnabas*

Volunteering for some is a way of giving, for others a way of living. In 2018, St. Barnabas Charities volunteers donated time and talent to support fundraising efforts. Their value is priceless. They work at fundraising events, they visit patients and deliver gifts during the holidays, and they staff the Furniture at the Firehouse and General Store resale shoppes. Volunteers are the backbone of our success. Versatile, Optimistic, Understanding, Talented, Enthusiastic and Kind are words that describe our amazing volunteers.
