### **CONLEY RESORT AND SUNCREST GOLF COURSE ACQUIRED BY ST. BARNABAS COMMUNITIES -- PATIENTS TO BENEFIT FROM CHARITABLE GIFT**

GIBSONIA, Pa. (Richland Twp.), December 31, 2015 -- [Conley Resort](#) and [Suncrest Golf Course](#), both of Butler, have been acquired by St. Barnabas Communities, effective January 1.

According to a statement by Douglas W. Day, president of St. Barnabas Communities, both operations will continue as in the past and all employees will be retained. Day stated: "Business as usual."

The transfer of ownerships from Wayne and Barbara Conley and Keith and Linda Reddinger of Suncrest were made possible by establishment of trusts by the respective families with St. Barnabas Charities, the fund raising arm of St. Barnabas Health System.

Conley Resort includes an 18-hole golf course, 56-room motel, swimming pool, banquet rooms, full service bar and restaurant. Suncrest, which is located alongside Conley, includes an 18-hole golf course, bar, restaurant and pavilion. Day stated that Conley and Suncrest will continue current operations with no plans to change the golf courses. He added that golf and banquet reservations are running ahead of last year's record pace.

The new operations will be added to other St. Barnabas venues in Gibsonia, Valencia and Beaver which include a conservatory, theatre, two thrift shops, auto repair center, carriage homes, apartments, living assistance, skilled care, home care, rehabilitation and an outpatient medical center.
