Join a Caring and Compassionate Team of Health Industry Professionals

Serving our community for over 10 years, St. Barnabas Hospice is a part of the St. Barnabas Health system. Founded 117 years ago, St. Barnabas is one of Pennsylvania's largest health care systems, offering comprehensive and compassionate care. Our four beautiful suburban campuses are located a short drive north of Pittsburgh in Allegheny, Butler and Beaver Counties.

As one of the area's leading employers, St. Barnabas is committed to providing rewarding employment opportunities.

Job Description

As a Registered Nurse Case Manager with St. Barnabas Hospice you will join an elite team of interdisciplinary professionals.

A unique opportunity to provide comfort and support while improving quality-of-life for patient's facing a terminal diagnosis, the Registered Nurse Case Manager:

- Completes initial and on-going comprehensive nursing assessments.
- Plans and directs services that are personally tailored to meet the unique needs of our patients and their families by assessing their physical, emotional, psychological and spiritual well-being.
- Provides direct, skilled nursing services in accordance with the Plan of Care and evaluates the efficacy of planned care interventions, treatments and medications.
- Documents physical assessments, skilled care/interventions, verbal and written orders, progress towards problem resolution and updates care plans at the point-of-care and in compliance with professional scope, Agency policies and procedures and state and federal regulations.
- Collaborates with the Hospice Interdisciplinary Team (IDG), patient and caregiver to ensure the highest quality-of-care and achieve optimal patient outcomes.
- Participates in weekly Interdisciplinary Group (IDG) meetings.
- Identifies need for and coordinates appropriate patient and family centered health teaching.
- Appropriately delegates tasks to Hospice Aides and LPN/LVN.
- Supervises the Hospice Aide and LPN/LVN at routine intervals.
- Actively participates in the Agency's Quality Assurance and Process Improvement (QAPI) Program.
- Seeks out opportunities for personal and professional growth through continuing education programs, in-services and conferences.
- Is able to work effectively as a part of a team and independently with minimal supervision.
- Possesses strong written and verbal communication skills.
- Maintains active Registered Nurse License in good standing with the State of Pennsylvania.

Qualifications:

- Graduate of an accredited school of professional nursing
- Registered Nurse, Pennsylvania
- Minimum of 1 Year Nursing Experience in either Acute Care or Skilled Nursing Facility
- Previous Hospice or Palliative Care experience a plus but not required

- Must successfully complete Hospice Orientation upon hire
- Act 33 Child Clearance
- Act 34 Criminal Clearance
- Cardio Pulmonary Resuscitation
- Driver's License
- Automotive Insurance
- Reliable Personal Transportation
