

Keeping your family, loved ones and our employees safe is our goal at St. Barnabas Nursing Home.

As of today, January 13, 2022 we had one employee test positive for COVID-19 as a result of outbreak testing. There have not been any new clusters of symptoms identified amongst residents or staff.

Our staffing is more than ample and our employee morale remains strong as they are dedicated to the care of our residents.

If you want your loved one transferred to a hospital, another facility or home, we can help make necessary arrangements.

Thank you for your cooperation during this unprecedented time of the COVID-19 pandemic.

Should you have any additional questions, or if you would like to speak with a representative from St. Barnabas Nursing Home, please call 724-443-0700 and request Shelly Jenkins, Administrator.
